MARI ANDREWS

**A NEW RELEASE FROM PAULSON PRESS**

Paulson Press is also pleased to release a new three-dimensional multiple by Andrews. The artist selected a magnolia leaf to cast in bronze and then coated it with brilliant ultramarine pigment, transforming the leaf's ephemeral nature into something more permanent. This cast multiple is available in an edition of 24.

Mari Andrews lives and works in the San Francisco Bay Area. Her work has been shown in several solo exhibitions at galleries in San Francisco including Refusalon and Patricia Sweetow Gallery. She has also been included in numerous group shows in museums and galleries in the Bay Area and beyond.
